News Release from the IULTCS

28 July 2022

III IULTCS EuroCongress Scientific Programme Announced

The organising committee of the III IULTCS EuroCongress are pleased to announce that the scientific programme has been finalised and participants are now able to register to attend (closing date for registration 05 September 2022).

The congress will be held in Vicenza, Italy from 18-20 September 2022 at the Vicenza Convention Centre with a full package of events included in addition to the extensive scientific presentations. The highlight will be the exclusive Gala Dinner which will be held in Bevilacqua Castle, a medieval construction dating back to 1300, situated in the town of Bevilacqua (Verona).
